Español (nativo)

English (business level)

ABOUT ME

I'm a full stack developer with a main focus on the frontend while keeping my backend skills close, seeking for new opportunities and challenges that will expand my skill set.

EXPERIENCE

My Website ⧉
Go take a look and get to know a little more about me.

Pomodoro Timer ⧉
Using React and JavaScript.

The goal of this app is to help you in focusing on any project you are working on, whether it's studying, writing, or coding.

Notes App ⧉
Using React, JavaScript and JSON.

Create text notes for textual information and color-code your notes to keep them organized.
